ADVERTISEMENT FOR THE POST OF “WILDLIFE VETERINARY ASSISTANT”
(Contractual)

The Divisional Forest Officer–cum–Wildlife Warden, Malkangiri Forest Division invites applications from eligible and interested candidates for engagement of one (01) Wildlife Veterinary Assistant for Mobile Veterinary Unit on a purely contractual basis for Malkangiri Forest Division. The selection process shall consist of a written examination followed by an interview, scheduled to be held on **28.10.2026** from **10 A.M.** onwards at the Conference Hall, Office of the Divisional Forest Officer, Malkangiri Forest Division. The prescribed application format, along with detailed terms and conditions of engagement, shall be available on the official websites www.malkangiri.odisha.gov.in and www.odishaforest.in from **15.10.2026 to 27.10.2026**.

Candidates willing to be considered for contractual engagement as Wildlife Veterinary Assistant in Malkangiri Forest Division may avail this opportunity by appearing in the written examination followed by interview, to be conducted by the Divisional Forest Officer–cum–Wildlife Warden, Malkangiri, in accordance with the notified procedure.

Nature of Engagement

1. The post is purely contractual and does not confer any rights for regular appointments.
2. Initial engagement shall be for a period of 06 (Six) months, extendable subject to satisfactory performance and availability of funds.
3. The engagement may be terminated at any time without assigning any reason, in case of unsatisfactory performance or administrative exigency.

Preference: Candidates possessing a **Master’s degree and experience in wildlife management** and treatment of any herbivores & carnivores etc. shall be given preference.
Submission of a brief write-up on previous professional experience along with the application.

Divisional Forest Officer
–cum–Wildlife Warden,
Malkangiri Forest Division

Objectives of Engagement:

1. To provide urgent and need-based veterinary healthcare to sick, injured and diseased wild animals.
2. To undertake daily surveillance and monitoring of wildlife health.
3. To attend and manage emerging and unprecedented disease outbreaks in wild animals.
4. To provide on-site diagnostic services for early disease detection.
5. To help mitigate human-wildlife conflict through awareness and timely intervention.
6. To support Anti-Depredation Squads in rescue, rehabilitation and release of wild animals.
7. To create awareness among livestock owners in forest fringe areas on bio-security measures.
8. To perform other departmental assignments as required.
9. To assist in formation and capacity building of Range-level Wildlife Rescue Teams through regular training programs in consultation with the DFO, Malkangiri.

Veterinary services to be provided:

1. On-site treatment of wild animals at the place of detection.
2. Referral of complicated cases to the concerned Chief District Veterinary Officer / College of Veterinary Science & Animal Husbandry, OUAT, Bhubaneswar.
3. Early detection of communicable and non-communicable diseases.
4. Chemical immobilization, tranquilization and sedation of wild animals as per approved guidelines.
5. Curative treatment and post-treatment monitoring.
6. Review and monitoring of preventive vaccination programs of livestock and poultry in forest fringe villages.
